## Bodyshops, Curtain Walls & Goff's: Where it all Began

As you probably know, there aren't many collision repair shops left in this country that aren't utilizing "Goff's Curtain Walls" to some extent for separating bodyshop space while confining sparks, water, overspray and other contaminants. What you may not know is since 1967 we have owned and operated Goff's Auto Body", a progressive collision repair shop just outside Milwaukee, WI. It was there that we were able to take a building full of poorly planned additions and turn it into a highly productive facility. We found that through use of our Curtain Walls, we could maximize use of our entire shop, by using virtually every square foot!

So whether you're trying to make the most out of an overcrowded, old shop or designing your dream facility, we invite you to give us a call or stop and visit. We'd love to give you some ideas how to maximize your usable shop space!

# Innovative Products & Add-Ons

## Custom Logos

Now your company can have your Curtain Walls personalized with your company logo or slogan. Custom price based on size, colors & quantity.

## Dealer Programs

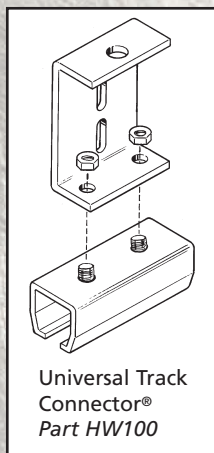

Goff's Enterprises is the recommended supplier for curtain walls as specified by these automotive companies: GM, Ford, Daimler Chrysler, Mercedes Benz, Jaguar, Lexus, VW, Toyota, Audi, Daewoo, Hyundai, and Kia.

## Hardware Options

The Goff Curtain Wall system can be mounted directly to a ceiling, wall, or suspended from the ceiling. Floor mount hardware is also available. For smooth, easy movement all curtain systems come complete with a heavy duty track (16 gauge) and rollerhook system along with either suspend, wall or flush mount brackets.

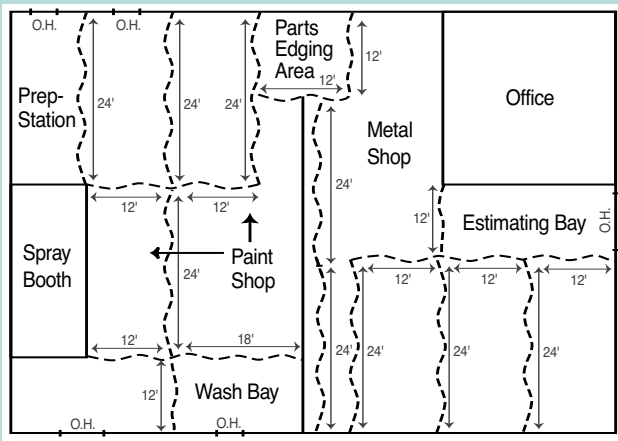

## Universal Track Connector®

Goff's Enterprises, Inc. has introduced a revolutionary new hardware piece that completely eliminates the need for individual suspend, wall and flush mount track splicing hardware. Designed by Goff's, the versatile track splicing clamp is now standard issue for all Original Goff Curtain Wall orders, simplifying the ordering process and assuring that you get the proper hardware that you need every time. With the universal track connector, you can't go wrong.

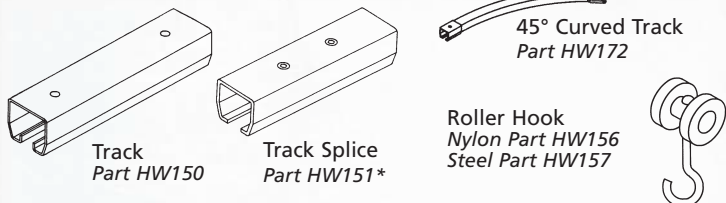

## Bodyshop Layout Example

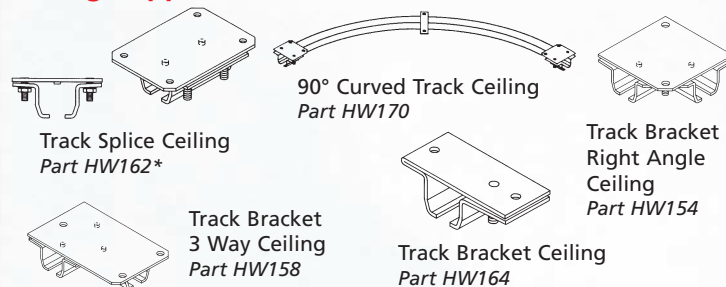

This top view layout shows some typical examples of how Bodyshops worldwide have used Goff Curtain Walls to increase productivity and improve shop flow while maximizing the use of all available shop space. For the sake of simplicity, we have used all in stock, ready to ship, standard sized Curtain packages in this layout.

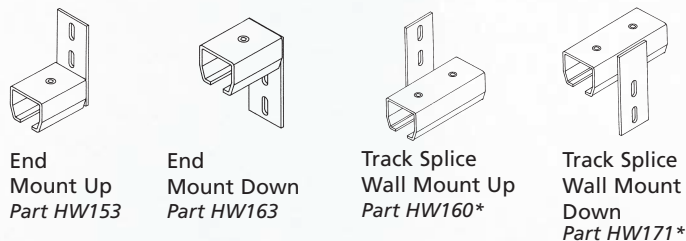

## Track & Accessories

## Ceiling Support Hardware

## Wall & End Mount Hardware

## WARRANTY

Goff's Enterprises, Inc. warrants all Curtain Wall Systems from failure in normal use due to defects in material or workmanship for a period of FIVE years from date of purchase. A LIFETIME warranty on all track & roller hardware. Goff's Enterprises may elect to repair or replace defective or damaged goods.
