

LIBERTY SERIES
COLD WATER ▶ ELECTRIC POWERED ▶ DIRECT DRIVE

- **120V and 230V Models**
- **Direct-Drive Crankcase Pump with 5-Year Warranty**
- **Steel Chassis & Chrome Handles**
- **ETL Certified to UL and CSA Standards**

Our electric-powered direct-drive pressure washers are durable units that can deliver cleaning effectiveness of up to 3.5 GPM and 2000 PSI. Powered by a heavy duty, industrial-grade Baldor motor, these compact machines feature a tri-plunger oil bath Kärcher pump, powder coated steel chassis, chrome-plated handles, hose rack, detergent injection, insulated gun and wand, and tubed pneumatic tires. All models are ETL certified to UL and CSA safety standards for pressure washers and come in 120V and 230V configurations.

Industrial-grade, Kärcher crankcase high pressure pump with forged brass head and ceramic pistons

Industrial-duty Baldor motor with 36 ft. electrical cord and ground fault circuit interrupter (GFCI) for operator safety

Water-resistant electrical box with two-position rotary on/off switch

Convenient front and back chrome-plated handles to assist in lifting and moving the pressure washer

Inlet strainer protects pump from debris in water source

Insulated, stainless steel high-pressure wand with quick-couple connector for easy attachment of high-pressure nozzles

10" tubed pneumatic tires for easy maneuvering on all terrains and to absorb vibration

Easy-to-attach downstream detergent injector with brass soap nozzle

Rugged chassis made of 10-gauge steel and painted with an epoxy powder coat finish for all-weather protection

Easy-access hanger for keeping hose and gun-wand off the ground or secure when transporting

Ergonomically designed trigger gun for hours of fatigue-free cleaning

Five conveniently mounted, quick-couple spray nozzles for varying fan spray

Thermal pump saver valve protects against hot-water damage by venting recirculated water

50' wire braid hose rated for 3000 to 4500 PSI with hose guard for burst protection

Rubber feet to absorb vibration and keep the unit from "walking"

Optional hose reel available
