BRC Extractor Series

Power, performance and productivity

Economic yet highly productive self contained extractors provide unmatched value for carpet extraction.

Kärcher's line of self-contained extractors offer superior cleaning performance and innovative technology in durable, easy-to-use designs. Each ergonomically designed BRC unit features simplified controls to help insure professional results during every use. Additionally each BRC unit can be combined with optional accessories for spot, stair and furniture cleaning.

Handle folds down for easy transport and storage.

BRC 30/15 C

- Brush assist drive system
- Floating brush deck
- Adapts for accessory
