Cold Water Series

Unbeatable versatility – high-pressure cleaning with Kärcher.

The name Kärcher is synonymous worldwide with power, quality, innovation and for cleaning expertise which has been setting the standard for over 75 years. Kärcher invented the high-pressure cleaner in 1950 and has been refining the principle of high-pressure cleaning ever since. More performance with less consumption, longer service life with shorter cleaning times. As a world market leader, Kärcher offers a range of products that leaves nothing to be desired in terms of technical refinement and versatility – operating with cold or hot water, powered by electric motors or internal combustion engines, mobile or stationary.

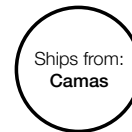

Cold Water | Gas Powered | Direct Drive

NEW

HD 2.5/27 P ST

This versatile cold water mini skid is designed to easily mount to trailers and UTVs, allowing you ultimate portability and power in a cold water unit. Combined durability of the Subaru EX17 engine and Kärcher crankcase pump with U-Seal technology provides you dependability in the toughest conditions. Both units include a 100' high pressure hose that connect to a Professional-Duty gun and wand.

12V Booster Pump is protected in an all-weather box.

HD 2.5/27 P ST

HD 2.5/27 P ST Plus (includes 65 gallon tank)

- Weld-less Stainless Steel Base
- Subaru EX17 Gas Engine with low-oil alert and 5-Year Warranty
- Kärcher crankcase pump with U-Seal technology and 7-Year Warranty
- Thermal Pump Protection protects the pump from overheating if left in bypass
- Includes 100' High Pressure Hose
- 12V Booster Pump in Plastic Box for all-weather protection
- 4 High Pressure Quick-Disconnect Nozzles
- Professional-duty High Pressure Gun and Wand
- Rubber Mounted Feet for easy installation
- Heavy-duty braided vinyl hose can easily be plumbed to a water tank

Xpert Series

Kärcher's Xpert series is a professional-grade line of cold water pressure washers. Powered by reliable Honda engines, Kärcher offers your choice of 160CC units with axial pumps or 196CC and 389CC units with Kärcher crankcase pumps. These Xpert units feature commercial-duty guns and wands and come with downstream chemical injection, four hardened stainless steel quick-couple nozzles and feature 25 or 50-ft of contractor-grade hose rated for 4,000 PSI. The precision welded frames and pneumatic tires make these pressure washers easy to maneuver on any terrain yet they are compact enough to fit in the trunk of most cars.

† Accepts inlet water at temperatures up to 180°F

Cold Water | Electric Powered | Direct Drive

Easy press trigger gun

- Ergonomic design
- Soft grip for greater comfort.

Automatic pressure cut-off

- For reduced energy and water consumption.
- Switches off immediately when work is interrupted.

Servo Control

- Pressure and water flow can be adjusted at the gun.

Ultimate mobility

- For quick cleaning at different locations.
- Space-saving storage.
