

POSEIDON 2-20X

Powerful, compact, and mobile water cleaning

www.nilfisk-alto.us

The Poseidon 2-20X offers an ideal cleaning solution for those frequent, low intensity uses typical of many customer groups. It's robust, yet compact, making the machine easy to store or transport but also very resistant to shocks incurred on construction sites or in the back of commercial vehicles. Pressure levels of up to 1,100 PSI and water flow of up to 2.4 GPM means you can cut into even ingrained dirt, bringing working time down considerably. As with all Nilfisk-ALTO pressure washers, ergonomics and ease of use are priority. The Poseidon 2-20X is a simple machine to use. Quick to install, quick to change accessories and easy to move around, the Poseidon 2-20X redefines simplicity.

Nilfisk ALTO

Key Features & Benefits

- All of our pressure washers are equipped with the most ergonomic spray equipment. Low activation and holding force on the trigger gun reduces physical strain as does the ideal design of our cleaning wands.
- Quick connects on the machine outlet and bayonet couplings on our accessories makes changeover of equipment easy and user-friendly.
- Brass Cylinder Head
- Automatic Start/Stop
- Chemical Injector
- Stainless-Steel FlexoPower Lance
- ERGO 2000 Gun
- Built-In Hose Reel

TECHNICAL DATA	POSEIDON 2-20X
Part Number	128470145
Max Pump Pressure - PSI	1,100 PSI
Max Water Flow - GPM	2.4
Power (P/V/A)	1 x 115 V, 15 A
Max. Inlet Water Temp.	120° F
Dimensions (L x W x H)	16 x 15 x 38 in
Weight	54 lb

Quick And Simple Detergent Application.
